

Daily Awards Program

The Bismarck Horse Club is pleased to offer a daily awards program. All exhibitors, placing in an event, earn points based on the number of entries for that event. At the end of the playday, the exhibitor is given a BHC playday point card indicating the amount of points they have earned. The points can then be utilized to select from the prizes available in the “prize pen”. Prizes may include such things as jewelry, tack, clothing or equine supplies.

- If the exhibitor so desires, the points may be carried over to the next show, however, prize availability will not be guaranteed. The Playday committee/show management reserves the right to vary and or limit the prizes available.
- Points for the year must be utilized by the end of the last playday or they are forfeited.
- Prizes may not be placed on hold for an exhibitor – you must have enough points to purchase the prize or the prize is available for other exhibitors to purchase.
- Prizes may not leave the “prize pen” without being purchased.
- Exhibitors are responsible for their BHC playday point cards, lost cards will not be replaced.
- Membership and entry fees rules are applicable. See the Bismarck Horse Club “Playday Rules and Regulations”.

The BHC welcomes any donations, cash or prizes, to the “Prize Pen”.
If you have a donation to make please contact Natalie Miller at
nbmiller@extenwireless.net.
