

BISMARCK HORSE CLUB

Saddle up — we want YOU riding with us this season!

The Bismarck Horse Club Board of Directors is thrilled to invite your company to sponsor our exciting 2026 Playday season!

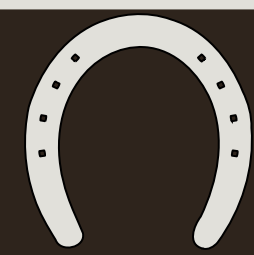

Since 1947, our nonprofit club has grown from a small group of trail-riding friends into a vibrant community of **100+ passionate members** who love arena thrills and open trails.

Every year we host **four action-packed Playdays** open to all horse owners — full of speed events, English and Western classes, friendly competition, big smiles, and year-end awards. These are where great memories and local horse connections are made!

We're looking for enthusiastic partners to help fund prizes and facility costs. In return, you'll gain excellent visibility with a loyal audience of local horse lovers and their families.
